Important information

Mid December to mid March is the “Large Wave / High Tide” season.

This unpredictable weather pattern may cause flooding in some of the ocean front units. The resort staff may have to temporarily board up the lanai areas in those units to ensure your safety. Please keep in mind that this season occurs during peak occupancy level and no other units may be available to relocate inconvenienced guests.

*The units do not have air conditioning. They are equipped with ceiling fans.

**These units are located on the second or third floor, above the check-in office, overlooking the tennis courts and the road and have no ocean views. Please expect a high level of noise during business hours (8:00 a.m. to 5:00 p.m.).

Access: This resort has no elevators. If an EZ Access unit (ground floor) is required, we recommend you specifically reserve an EZ Access unit.
